

## Letter from Ralph to his parents Sunday March 7, 1954

Dear Folks,

our "College Night" and Homecoming Week has come and gone, and a really big week it was...

Saturday was Homecoming Day and all the alumnae flocked in for luncheon, tea, business meetings and to attend College Night. We had a young couple and their 2-year-old boy from Florida spend the weekend with us.

... new Presbyterian minister... We spent a couple of hours chatting and it is now 11:30 pm. Heard "Music from Montevallo" at 10:30. Sounded good, too, even if I do say so.

The kids are just fine and, big news! Sally cut her first tooth day before yesterday! Remember when Stevie got his first tooth? You all were here and we were eating Christmas dinner, remember?

How are you all coming along? Escaping from colds I hope. How is Auntie recovering from pneumonia? Had any company lately?

Am enclosing another \$50 check on the Buick.

How are your finances? Please don't hesitate to let me know if I can help. Guess I'll close for this time.

Oodles & oodles of love from:

Marcia  
Sally  
Stevie  
Ralph
